

KRANZLE K 2160 TS Pressure Cleaner order no. 41.780

The new K 2000 series represents continued development of the well-proven Kranzle shuttle series. These machines are industry leaders because of their robustness, modern looking design and top quality engineering.

Single part roto-mold-chassis and therefore extremely stable and robust

Integrated trolley takes steps and rough ground in its stride

5m power lead with cable reel

Storage for trigger gun with safety catch and lances

Technical Data:

Operating pressure bar (MPa): 30-140 (3-14)

Max admissible overpressure bar (MPa): 160 (16)

Water output l/min (l/h): 11 (660)

Inlet water temperature max °C: 60

Suction height (m): 2.5

Nozzle size: 042

Motor speed (rpm): 1400

Connected load, V / A / Hz: 230 / 14 / 50

Power intake (kW): 3.2

Power output (kW): 2.4

Weight (kg): 37

Dimensions (L x W x H) in mm: 375 x 360 x 900

Features & Equipment:

Rota-Mold chassis

Total-Stop system

Low Pressure detergent

10m Steel braided hose

M2000 Trigger gun with safety catch

Stainless steel lance with flat jet nozzle
