

SRM330U Perfect for landscapers and farmers

A good all-round professional brushcutter with U-handle design and 30.5cc two-stroke engine with Pro-Fire[®] electronic ignition. The light 6.5kg weight and Ultra Low Vibration make this an ideal brushcutter for sustained use. A high tensile steel shaft and heavy duty debris shield are incorporated.

Specifications

Engine	2-Stroke
Displacement	30.5cc
Weight (Dry)	7.4kg
Dimensions (L x W x H)	1830mm x TBA x TBA
Fuel Tank	0.84 litres
